ACKNOWLEDGEMENT

I would like to express my sincere gratitude to the Centre for e-Governance (CEG), Government of Karnataka, Bengaluru, for providing me with the opportunity to undertake my internship and gain valuable practical experience in the field of Artificial Intelligence and Machine Learning.

I extend my heartfelt thanks to Shri. Bhoobalan T, IAS, Chief Executive Officer, Centre for e-Governance, for his visionary leadership and for fostering an environment that encourages learning, innovation, and professional growth.

I extend my sincere thanks to Shri. Elisha Andrews, KAS, Chief Administrative Officer, Centre for e-Governance, for his administrative support and encouragement during my internship tenure.

I am deeply grateful to Dr. Shreevyas H M, Project Director, AIML Division, for his guidance, encouragement, and support throughout the internship period.

I would also like to express my sincere thanks to Dr. Pushpa Mudalingammanavar, Project Director, Capacity Building, for her constant support, motivation, and valuable encouragement during the internship.

My heartfelt gratitude goes to Mr. Karthik P, Project Manager, AIML Division, for his invaluable mentorship, technical guidance, and continuous support throughout the course of my internship.

I would also like to express my gratitude to the Training and Placement Office, University Visvesvaraya College of Engineering (UVCE), Bengaluru, for facilitating this internship opportunity and providing the necessary support throughout the internship process. I am thankful to everyone who directly and indirectly contributed to the successful completion.

of my internship and the preparation of this project report. The knowledge and experience gained during this period have been invaluable to my personal, technical, and professional growth.
